

# A VOW TO HELP OTHERS

The Ritz-Carlton specializes in pairing beautiful wedding venues with impeccable service, ensuring an unforgettable experience.

When you celebrate your wedding with The Ritz-Carlton, you can also make “A Vow to Help Others”. This commitment allows you to share the happiness of your day with those in need, by donating five percent of your reception costs equally between a cause close to your heart and the Community Footprints Fund\*.

The Ritz-Carlton has built a legacy of extraordinary service. This tradition extends to our Community Footprints program and positively impacts the lives of others. Every contribution we make is an opportunity to leave an imprint on our communities. Under the umbrella of our Community Footprints program, our hotels and resorts partner with local organizations to make a meaningful difference in the well-being of disadvantaged children, hunger and poverty relief and environmental conservation.

\*Based upon availability at The Ritz-Carlton hotels and resorts in the United States, Mexico and the Caribbean. Valid for wedding events, not holding tentative or final contracts as of February 14, 2009. Five percent of food costs from the event, exclusive of tax and service, will be donated to the wedding couple's 501 (c) (3) charity of choice (2.5%) and The Ritz-Carlton Community Footprints Fund (2.5%) upon payment of final invoice.
